Steel plant in Bihar

†5515. SHRI VIJAY SINGH YADAV: Will the Minister of STEEL be pleased to state:

(a) whether Government proposed to set up any steel plant in Bihar;

(b) if so, by when; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF STEEL (SHRI BRAJ KISHORE TRIPATHY): (a) There is no proposal under consideration of the Government at present to set up a steel plant in Bihar.

(b) Does not arise.

(c) The Indian Steel Industry is passing through a difficult phase due to adverse conditions in the domestic and international steel markets. Some of the factors contributing to the present adverse conditions are excess supply and low demand for steel in the domestic market; import of steel at low prices; falling steel prices and higher production costs. In this scenario, setting up of new steel plants will not be a viable proposition.
